# Special Purpose Vehicle Incorporation Guide

#### Introduction

Congratulations on choosing ADGM. We have written this guide, to support you through each stage of the application, and provide you with insight on what is required in simple terms, and hopefully ease the application process for you.

You can use this guide if you are registering a new company and your activity is special purpose vehicle.

#### **Getting Started**

Before you start the application, you should be aware of the documents that you are required to submit during the process. Having these documents ready in advance can lead to a smoother application process for you.

- A copy of your business plan (template available)
- Resolution (template available)
- Articles of Association (model articles available)
- Signed lease agreement or consent letter from Corporate Service Providers
- Passport copies of Directors, Authorised Signatories, Individual Shareholders etc.
- Copy of valid UAE residence visa of Authorised Signatories. At least one signatory must be GCC national or hold a valid UAE residence visa.
- Certified true copy of certificate of registration/incorporation of body corporate Directors, Shareholders etc.
- Details of your data processor (if appointed) including copy of commercial license

Please be aware that the Registrar can request at any time, further documentation to support your application.

#### **Document Templates**

You can locate the relevant document templates such as business plan, resolution, model articles, etc on the SPV page of ADGM.com, under the supporting documents and templates section.

https://www.adgm.com/setting-up/spv/application-process

#### Where to access the application form

Applications are only accepted digitally and can be accessed at www.registration.adgm.com.

- 1) Create a new user
- 2) Once logged into the system, you will find the application form under

Online Services → Companies → Registration of SPV Companies → Incorporate a Private Company Limited by Shares as an SPV

If you wish to register the SPV as Restricted Scope Company:

Online Services → Companies → Registration of SPV Companies → Incorporate a Restricted Scope Company as an SPV

#### **Useful Tips:**

- You are able to save and exit the form at any time. The drafted form will then be available for you to select and continue from your dashboard. The draft will be active for 90 days. If the draft is not submitted during this time, the form will expire and will no longer be available.
- You are able to navigate through each of the pages without the need to complete them in the order they appear. To navigate either use the cookie trail at the top of the page, or select next on the bottom of each page (note although an error message may appear, you can still proceed to the next pages).
- Asterisk (\*) denotes a required field. You will not be able to submit the application if you have left any required fields blank.
- My Clipboard allows you to identify data 'clips' that can be stored and then later pasted into different parts of a form. A 'clip' can be, for example, Authorised Signatory details, which then can be used when adding a Director or a Secretary or a Shareholder or a Data Controller. Clicking on the My Clipboard button, provides the options to add a new clipboard item or to select an existing item. You need to enter all of the data into the form that is to be part of the data 'clip', before selecting to add it as a new clipboard item

# Section 8: Beneficial Owners

Within the structure of companies, it is the ultimate individual who enjoys benefits of owning the company's shares. In other words, it is an individual who enjoys the benefits of ownership even though title to the ownership is in another name. For example, there is an intermediary company in which name shares are issued. Even though the shares are issued in that company's name, the true beneficial owner of the shares, for safety/convenience or privacy, is the individual. Also, any individual that either directly or indirectly has the power to vote or influence the decisions within the company through beneficial ownership of the shares, is the beneficial owner of that company.

The questions in this section will be determined by the data entered earlier in the shareholder section of the form.
