## School of Entrepreneurship

# The Entrepreneurship Programme

### ABOUT THE PROGRAMME

The Entrepreneurship Programme (EP) is a dynamic and in-person programme by Khalifa Fund, powered by ADGM Academy, and delivered in Al Ain through MZN Hub – a Khalifa Fund-supported accelerator for entrepreneurs and SMEs.

Designed for individuals at any stage of their entrepreneurial journey, the programme offers four tailored tracks – from curious explorers to early-stage founders. Participants benefit from hands-on workshops, real-world case studies, and mentorship.

Certified by ADGM Academy, EP equips aspiring entrepreneurs with the skills, mindset, and confidence to launch and grow sustainable ventures.

### THE LEARNING JOURNEY

The Entrepreneurship Programme is bespoke to meet the needs of four distinct personas, combining technical expertise with hands-on application.

#### Explorer

For those curious about entrepreneurship. Build your mindset, explore opportunities, and gain the confidence to take the first step.

**Ignite → Validate → Launch → Grow**

#### Aspiring Entrepreneur

Have an idea? Structure it, validate it, and build a strong sustainable business model.

**Validate → Launch → Grow**

#### Corporate Escapee

Transition from industry expert to entrepreneur. Reframe your skills, fast-track your ideas, and prototype your venture.

**Ignite → Validate → Launch → Grow**

#### Early-Stage Founder

Ready to grow? Strengthen operations, scale your team, refine your go-to-market strategy, and get funding-ready.

**Launch → Grow**
