

School of National Development Digital Programme

Abu Dhabi Global Market Academy

ADGM Academy, the knowledge arm of Abu Dhabi Global Market (ADGM), a financial free zone in Abu Dhabi, aims to become a leading educational and human capital academy for banking, finance, digital and public services in the region. Aligned with the UAE's vision for economic strength, we offer world-class educational experiential programmes. At the forefront of financial and digital training, we partner with industry experts, professional organisations, and academic institutions to design and deliver innovative certified programmes, a journey of growth, learning, and transformation where knowledge meets opportunity to shape the future of the financial industry.

ABOUT THE DIGITAL PROGRAMME

ADGM Academy along with Department of Government Enablement are committed to developing Nationals in the digital field, through a nine-month programme that offers **dynamic learning experiences** to unlock essential digital tools and work skills. This National Development Programme aims to help young graduates **navigate the digital landscape with confidence** and adapt to the ever-evolving demands of the industry.
