## Abu Dhabi Global Market Academy

ADGM Academy, the knowledge arm of Abu Dhabi Global Market (ADGM), a financial free zone in Abu Dhabi, aims to become a leading educational and human capital academy for banking, finance, digital and public services in the region. Aligned with the UAE's vision for economic strength, we offer world-class educational experiential programs. At the forefront of financial and digital training, we partner with industry experts, professional organizations, and academic institutions to design and deliver innovative certified programs. A journey of growth, learning, and transformation where knowledge meets opportunity to shape the future of the financial industry.
