

Abu Dhabi Global Market Academy

ADGM Academy opened for business in early 2018. Located in Abu Dhabi's award winning International Financial Centre, it was established by Abu Dhabi Global Market with the vision of becoming one of the leading academies in the region focused on financial education.

In partnership with globally recognised educational institutions, ADGM Academy offers programmes on a range of topics and qualifications including banking, finance, leadership, entrepreneurship, technical and professional skills.

Our Partner

LONDON INSTITUTE OF BANKING & FINANCE

The London Institute of Banking & Finance exists for a very simple reason – to advance banking and finance by providing outstanding education and thinking, tailored to the needs of business, individuals and society. Founded in the City of London in 1879, The London Institute of Banking & Finance remains the only banking and finance professional body with degree awarding powers. Delegates attending some of the Institute's courses at the Academy can gain points that contribute towards professional qualifications.

SUSTAINABLE FINANCE

Wisdom through Knowledge

Educating the Professional Community

In association with our partner, The London Institute of Banking & Finance, ADGM Academy will deliver a suite of Sustainable Finance training programmes that will provide delegates with internationally recognised professional qualifications.*

Fostering Communication, Knowledge and Awareness

ADGM Academy, with its partner, The London Institute of Banking & Finance, has been appointed to deliver the third pillar of ADGM's Sustainable Finance agenda: Fostering Communication, Knowledge and Awareness. This will involve deploying a range of communication strategies to spread sustainability as a day-to-day method of living, working and doing business.

"Life is inconsistent and ever changing. So are health and weather. We must, therefore, be prepared for the unexpected changes coming our way."

H.E. Sheikh Zayed bin Sultan Al Nahyan

"There can be no Plan B because there is no Planet B."

Ban Ki-moon
Former Secretary-General
United Nations

"An investment in knowledge pays the best interest."

Benjamin Franklin

METHODS OF LEARNING

Flexible learning

Blended delivery: a mixture of online learning and face to face workshops led by subject experts. Study on a part-time basis over the course of one year.

Supported

Through a range of online or hard-copy learning materials. The programme uses real-life case studies to demonstrate theoretical concepts in an applied setting.

Network

With other professionals working in the same field.
